Destination Services Awarded Certification by Women's Business Enterprise Council (WBENC)

Destination Services (DSC) has been awarded certification as a woman owned business by the Women's Business Enterprise Council (WBENC). WBENC is dedicated to help build a world where women owned business enterprises are a cornerstone of America's business success.

WBENC certification is a rigorous and multi-faceted review process that is conducted by a Certification Review Committee ensuring that any business applying for certification is majority woman owned, operated, and controlled. The enterprise must meet the WBENC's exacting standards and demonstrate a high proficiency in business management.

The Women's Business Enterprise National Council, founded in 1997, is the largest third-party certifier of businesses owned controlled, and operated by women in the United States. WBENC, a national 501(c)(3) non-profit, partners with 14 Regional Partner Organizations to provide its national standard of certification to women-owned businesses throughout the country. WBENC is also the nation's leading advocate of women-owned businesses as suppliers to America's corporations.
